HOME PHONE: 805-492-4917	WORK PHONE: 805-750-4917

#### CANDIDATE STATEMENT

I have served as a board member on the Wildflower Condominium Homeowners Association for one year. I would like to continue to be on your board for another year. My wife and I have owned Unit 69 for 15 years. I am a self employed business owner with 30 plus years experience as an auctioneer.

In the past at another complex in Mammoth, I was on the board for 15 years acting as President for 12 years. The complex had 155 units. We were able to accomplish many upgrades, including reserves that were completely funded. We are fortunate to have a team of managers that live and serve at Wildflower. It has been a pleasure to work with the board and the managers this past year.

IF YOU WISH YOUR NAME TO APPEAR ON THE BALLOT THIS DECLARATION OF CANDIDACY MUST BE RECEIVED **no later than July 20, 2017.**

PLEASE MAIL THIS FORM TO:  
WILDFLOWER, PO BOX 5038, MAMMOTH LAKES, CA 93546

**Candidate Statement for Terry Reimer**

I'm Terry Reimer and I'm running for reelection to the Wildflower Board of Directors at our September 2017 Homeowners meeting.

I retired from the Department of Homeland Security as an Assistant Field Director for an audit division that reviewed records of U.S. and foreign importers and exporters, and airlines.

I have been a Wildflower Director and the Treasurer for a number of years. I am familiar with the complex and our financial affairs. I've been involved in all of our projects and I have the time to deal with our issues. I work with our homeowner services firm, insurance agent, and the association attorney. All directors review monthly operating statements and in addition I review our tax returns and other records.

I have been the point person with the firm performing our reserve studies and helped identify reserve components and useful life.

It is important to identify operating options and possible alternatives that might result in cost savings. All homeowners have an interest in maintaining our facility at the most reasonable cost possible.

It is important for the board to be proactive relative to delinquent homeowner fees. Fortunately, we do not have any past due homeowners and haven't had any severely past due in a few years.

I believe I can continue to be an effective Wildflower Board Member and I ask for your vote.

*Terry Reimer*

**CANDIDATE STATEMENT**

I have been a member of the Wildflower Homeowners Association Board for over twenty years. As such I have a complete history of the ups and downs that Wildflower has faced over those years. My primary interest is to maintain the physical property in top condition and the HOA financial condition strong. Things have been changing in Mammoth over the past few years and when I was the board president for 8 years I was involved with some of the town activities, including attending town council meetings when I could do so. Things will continue to change in Mammoth as new development begins, including commercial development. I have a continuing interest in that activity because some of that development is likely to take place in the wooded area behind Wildflower. I would like to serve on the board for the next year in order to stay close to my Wildflower interests.
